

CUPBOARDS & 3D DESIGNS

Cupboards

Our Cupboards are manufactured to standard or customized dimensions, giving you an unlimited range of choices for your desired design. Manufactured mostly from Melamine Wood. Special designs also made out of spray painted MDF or Veneer.

TOPS: Available in Formica, Granite, Ceaser Stone etc.

FITTINGS: All fittings are carefully selected & tested to ensure a long lasting usage. Soft closing is our standard, giving a unique feel to your cupboards.

MEASUREMENTS: Our well informed, trained & technical consultants will take the measurements and give you an informed choice regarding the final product.

Projects

Kitchen Cupboards

Project: House du Randt

For this project a combination of solid wood, bleach finishes, melamine and wrapping with granite tops was used to create a cottage style kitchen. The ceramic basin, butcher block, woven baskets, lighting and appliances, were all supplied and installed by Prestige Wooden Products.

Project: House Botha

Here a combination of solid wood, melamine and spray painted doors, as well as solid wood Caesarstone tops were used. Prestige Wooden Products also supplied and installed the appliances.

Project: House Werner

A combination of solid wood - cement finish, melamine with solid wood and granite tops were used to finish off this kitchen and give it a spacious and modern appearance.

Project: House Theron

This kitchen's cupboards were manufactured from melamine and the tops all from granite. Prestige Wooden Products supplied and installed the appliances and lighting.

Other Projects: Bedroom Cupboards made to order.
Office furniture made to order - desks, shelves and cupboards.
